

CBSA Scheduled maintenances Outages for 2009

Electronic Data Interchange (EDI) clients of the Canada Border Services Agency (CBSA) are advised that they can expect scheduled maintenance outages on the following weekends, generally in the early morning:

- January 17-18
- February 21-22
- March 14-15
- April 18-19
- May 9-10
- June 13-14
- July 11-12
- August 8-9
- September 12-13
- October 17-18
- November 14-15
- December 12-13

In addition, clients can expect additional outages for the migrations of systems releases, but the exact date/time has not yet been determined.

The dates of the outages are based on information available at time of publication and are subject to change. Updated and more detailed information will be communicated by bulletin in advance of the outage.
